THE NEWS. Goto closed last night at 1297.

WENDELL PRILLIPS has an income of \$60.

Taz City Railway Company of Detroi sells commutation tickets for twenty-four rides for one dollar. THE Republicans of Williamsport, N. Y.,

yesterday elected the Mayor of the city by 129 majority. Tong G. WHITTIER, it seems, has been solicited by his friends to run for Congress,

Tag little tax of one cent upon each bo the United States, about \$1,500,000.

Ir is rumored in Indianapolis that Col. Garland Ross has been appointed postmaster of that city in place of H. Conner. Marks papers state that Fenian bills t he amount of \$1,000 remain unpaid yet in Enstport, since the late luvasion fizzle. A mass of copper weighing 12,347 pounds,

which yielded eighty-seven per cent, in ngots, was melted at the Ontonagon, Mich., works, last week. THE New Orleans Picayane has been in

een purchased near that city for shipment A San Diego (California) letter says that eneral Rosecrans is daily expected there,

and that he will probably become a pernament resident of that place. Tax Senate yesterday passed a bill to rohibit the carriage, shipping or transportation of nitro-glycerine on passenger vessals or railroads.

THE House Committee on Banking have nder consideration a bill to exempt from taxation all Government bonds in the pos session of National Banks. Tax removal of the radical postmaster of

Cairo, Ill., and the appointment of a sup-porter of "my policy," was announced yes-A PROMINENT officer of the Fenisus is

Brooklyn, N. Y., is a defaulter to a large mount, whereat the Brotherhood are much excited. His name is not made public. Ton Mexican Minister states that Santo inna's vigit to this country is directly in the interest of Maximilian, his denial to the ontrary notwithstanding. GEN. WALCOTT was day before vesterday

appointed Warden of the Ohio Penitentiary pice Prentice, resigned. Mr. Prentice's resignation takes place on the 5th of June. In the townships of Sandwich and Monu ent, Massachusetts, about four thousand acres of wood land was burned over last week, and property damaged to the extent

As unconditional Union convention met date in this district. Botts, President. Horace Maynard, of Ten nessee, addressed the meeting. The attendsnce was small.

THE New York Tribune's Plorence (Italy prespondent, writing under date of April opens his letter with this sentence Within a fortnight we shall be involved n war."

THE strike of the ship-carpenters and sulkers in New York continues. The employers say if it lasts much longer they will emove the business to other parts. The strikers are about effecting a loan of \$25,000

of the Workingmen's Union. In the House of Commons, on the 3d inst. Mr. Gladstone, referring to the American debt, said he did not think it would constitute any difficulty for the American people and that it was probable it would be effaced within the life-time of men now living.

Jons Portengiano, formerly a banker and a old resident of Nashville, was arrested in that place yesterday and lodged in the enitentiary, in consequence, as it is ru ored, of complicity in the assassination of resident Lincoln.

Ows of the best counterfeits that has an cared in some time is said to be a \$20 note on the First National Bank of Portland, Conn. The engraving is excellent, but mewhat different in design; the paper is rather greasy. It is a dangerous counter feit, and parties receiving \$20's on the above bank should scrutinize them closely.

News from Jamsica states that it was supposed Governor Eyre would be recalled rediately. One Col. Hobbs, commander of the forces sent out against the blacks, and by whose orders during the late disurbances some of the most fiendish streetties were perpetrated, has committed sui-

THE President has sent a message to the House, enclosing a communication from General Grant asking for the immediate assage of the army bill, for the reason that ore troops are needed on the frontier and pinion that the troops cannot be withrawn from the South with safety for some time to come.

THE Governor of Idaho, in a letter to the commissioner of Iudian Affairs, says that a party of sixteen friendly Indians, of whom but two were grown males, the rest being comen and children, were massacred nea Virginia City, on the 11th of March last, by overnor says, will tend to bring on a genoral Indian war. A LIVELY skirmish between Union me

and rebels took place in Gentryville, Gentry ounty, Mo., on Saturday last. A returned Union soldier was insulted by a returned ebel soldier, and shets passed between them, the rebel receiving a ball in his arm. Other parties then mixed in, and a shooting affray commenced, at least 100 shots being fired. The rebels were driven out of the town. The Union men then fired several rounds from the cannon belonging to the town, in honor of the victory. There were engaged in the shooting, five Union men and eight rebels, and three men were

wounded in the fight THE Newland-Evans trial, at New Albany, Ind., is at last ended, and a verdiet of acquittal rendered. The jury was out about three hours, and came in at two tinutes past three in the afternoon. When the Court naked them if they had agreed upon a verdict, and upon being informed that they had, he ordered the Clerk to read it, which he did in the following words: We, the jury, find the defendant, Benjamin Newland, not guilty, as charged in the indictment." Some stamping of feet folwed the reading of the verdict, and the friends of Newland crowded around to congratulate him, after which he shook with each of the jurymen. About two hundred persons were present when the

verdict was rendered.

The Republicans of Maine will hold

their Gubernatorial Convention at Bangor on the 21st of June.

Judge McCalment is a candidate for ongress in the Meadville, Penn, district. Choice passages from the Senatorial efuoted in Great Britain in arguments gainst the extension of suffrage.

The Raleigh Standard says that Gov Worth, of North Carolina, a warm sup porter of the President, has not appointed Union man to office in that State. Governor Swann, of Maryland, has finally joined the Blair reprobates in that State, and deserted the straightout Union

men who elected him. He is Johnson-The election for State officers in Texa will take place June 25th, and the people at the same time will vote upon their amended State Constitutions.

The Warren Chronicle renominates Judge in this State.

The Richmond Examiner, enraged at the remarks of Senator Sherman respectf matches produced last year, throughout ing the latter of Wade Hampton, which STRONG & ABMSTRONG, and BENTON, Reverdy Johnson introduced in the Senate the other day, bids Mr. Sherman to reollect Preston Brooks, and beware of outhern vengeance.

The Tenth Indiana District is getting excited over the nomination of a Congress man. Hon. Joseph D. Defrees is the pres ent incumbent, and six patriotic gentlemen are eager to serve their country in

report to Congruss.

The rumor of intrigues in which Santa Anna is concerned, has prompted a general lesire in Washington to have Juaren aided, but the success of the proposed Maxican lean is very doubtful. unication from General Grant

Headq'ns Annies of fur U.S., Washington, D. C., May 16. Hon. E. M. Stanton, Secretary of War: Sim-In view of the long delay in the ower house of Congress in agreeing upon a slan for the reorganization of the army

on done speedily.

At the present time settlements are spring ag up with unusual rapidity in the district country between the Missouri river and the Pacific Ocean, where heretofore the inline was left in undisputed possession Emigrants are pushing to those settlements and to the gold fields of the Rocky mounand to the gold fields of the Rocky mean-tains, by every available highway. The people flocking to those regions are citizens of the United States, and are entitled to the protection of the government. They are developing the resources of the country to te great advantage, thus making it our in

was ever heretofore required.

A small military force is required in all the Statesjiately in rebellion, and it cannot be foreseen that this force will not be required same subject, from the citizens of Jefferson same subject, from the citizens of Jessen Jessen of Jessen the Stategated in recording the termine be foreseen that this force will not be required for some time to come. It is to be hoped this force will not be necessary to enforce the laws, either Stale or National, but the will existing laws authorize the reten-of this force even if they are content to ain? The United States Senate passed promptly a bill for the reorganization of the army, which in my opinion is as free from army, which in my opinion is as free from objection as any great measure could possibly be, and it would supply the minimum requisite forces. It gives but a few thousand additional menover the present organizatior, but gives a large number of additional battaines. The public service of guarding routes over the plains and giving protection in the Southern States demand the occupation of a greater number of pests. For many of them a small company is just as efficient as one with more men sigst as efficient as one with more men rould be. The bill before Congress, or the

would act promptly on this matter if their attention was called to it, has induced me herein specified, from any penalty or pun-ishment provided by the laws of any State for carrying on such profession within such State, or in any manner to authorize the commencement or continuation of such also ask if you deem it proper that this, with such endorsement as you may be pleased to make, be laid before Congress commencement or continuation of such trade, business or profession, contrary to the laws of such State, or in places prohibited by municipal law, nor shall the payment of any tax be held or construed to prohibit or prevent any State from placing a duty or tax for State or other purposes, on any graph amending Section 10 of the present law was amended by adding the following: through the Speaker of the House. Very respectfully, Your obedient servant, U. S. GRANT, Lieut.-General. Cuion Convention.

ident, except in countries now represented by an Envoy Extraordinary.

On motion of Mr. BUCKALEW the appropriation for the secret service or contingent fund of the State Department was reduced from \$30,000 to \$10,000. The bill was then passed.

The West Point Academy bill was taken up and the amendment recommended by the Finance Committee, striking out Sundry provises of the bill, the effect of which amendment was to leave open the few romaining vacancies in cadetabips at West Point for the loyal men in the Southern States adopted.

Mr. Wilson effered an amendment pre-37-100 of an inch. The measures of surfac 37-100 of an inch. The measures of surface are in square meters or centers, one hundred of which are denominated an are, one hundred of the latter being denominated a neitar, one of which is equivalent to two acres and 471 1-300 of an acre. The measures of capacity are in litres, equal to one quart and about one-twentieth of a quart. The weights are in grammes, one hundred of which are denominated a hectograms, oquivalent to three ounces and five hundred and twenty-seven thousandths of an ounce

VOL. XX-NO. 11.

and twenty-seven thousandths of an ounce avardupois. In other words one ounce is equal in quantity to twenty-sight grammes and thirty-four one hundredths of a gramme. Mr. Kassen stated that the bill authorizing effect as a permissive measure merely, all the trades, arts and individuals who were willing and desirous to adopt it would do so after the passage of the not. It was not com-pulsory at any time. The Committee did not feel authorized to determine the time Mr. TRUMBULL offered an amendment

FOREIGN NEWS-ARRIVAL OF THE JAVA. NEW YORK, May 17.—In the House of Commons, May 5th, Mr. Gladstons made his annual financial statement for the casing year. He estimated the expenditure at £56,225,900 and the revenue at £67,575,000, leaving a surplus of £1,350,000. Mr. Gladstone in referring to the American debt used these words: "I must confess AN ELEGANT ASSORTMENT debt used these words: "I must confi that I think the future of America as far STEINWAY & SONS', the finance is concerned, will not be at tended with any embarrassment. I do no believe that the debt will constitute an difficulty for the American people. In moderate time it will be brought within very small limit, and may, within the li vary smart min, and may, we take the time of persons now living, be effaced alto gether. At this moment America is, I be lieve, paying war taxes, and the amount or revenue of the United States is not less, apprehend, than about eighty millions or warrened to the layerst turn ever raised in an money, the largest sum ever raised in any country for the purposes of a central gov-

Patrie says: Austria is placing herself in state of complete defence in the Quadrila-teral. Troops are arriving from all points, and without neglecting Peschiera and Legnano, the military authorities are stor-ing more especially in the fortresses of Verons and Mautus their war material and supplies. The artillery of Verona cousis of more than five hundred cannon in ba-tery, besides spare guns. At all the ma-points between Verona and Mantua ti Austrians have drored talends. Napoleon has made an exposition of the position of France towards Italy and the contending German Powers, to the Frence legislature through M. Bonker, Minister of the Contending of the Contend trate. It is terse and decisive, declaring a sectific policy, and honest neutrality and utire freedom of action for the Empire.

nated, and the Collector so designated shall have entire charge and control of all matters connected with such warehouse and the property stered therein.

No other material amendments were adopted.

The Committee after disposing of twenty-three pages of the bill rose, when the Speaker presented a message from the President of the United States transmitting a communication from the Secretary of War, and a letter from Lieutenant General Grant relative to the necessary for the legislation on the subject of the army. The Leutenant General's letter to the Secretary of War was read, after which the message and letters were referred to the Committee on Military Affairs and ordered to be printed.

Mr. THAYER desired to instruct that Committee to report back the Senste bill, but the House refused to reconsider the vote referring to the message, so as to enable him to move to refer with instructions.

The House at 4:30 adjourned.
